

RICE I.S.D. POLICE DEPARTMENT  
Racial Profiling Policy  
Date of Adoption: August 01, 2013

## I. PURPOSE

The purpose of this policy is to reaffirm the Rice I.S.D. Police Department's commitment to unbiased policing in all its encounters between an officer and any person(s); to reinforce procedures that serve to ensure public confidence and mutual trust through the provision of services in a fair and equitable fashion; and to protect our officers from unwarranted accusations of misconduct when they act within the dictates of departmental policy and the law.

## II. POLICY

It is the policy of this department to police in a proactive manner and to aggressively investigate suspect violations of law. Officers shall actively enforce state and federal laws in a responsible and professional manner without regard to race, ethnicity or national origin. Officers are strictly prohibited from engaging in racial profiling as defined in the policy. This policy shall be applicable to all persons, whether drivers, passengers or pedestrians.

Officers shall conduct themselves in a dignified and respectful manner at all times when dealing with the public. Two of the fundamental rights guaranteed by both the United States and Texas constitutions are equal protection under the law and freedom from unreasonable searches and seizures by government agents. The right of all persons to be treated equally and to be free from unreasonable searches and seizures must be respected. Racial profiling is an unacceptable tactic and will not be tolerated.

This policy shall not preclude officers from offering assistance as the need arises and officers see fit. This policy does not prohibit stopping someone suspected of a crime based upon observed actions and/or information received about the person; nor does this policy prohibit stopping someone suspected of violating Rice Independent School District's rules and regulations.

## III. DEFINITIONS

**Racial Profiling** - This is when law enforcement –initiated action based on an individual's race, ethnicity, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity.

Racial profiling pertains to persons who are viewed as suspects or potential suspects of criminal behavior based solely on race or ethnicity. The term is not relevant as it pertains to witnesses, complainants or other citizen contacts.

The prohibition against racial profiling does not preclude the use of race, ethnicity or national origin as factors in a detention decision. Race, ethnicity or national origin may be legitimate factors in a detention decision when used as part of an actual description of a specific suspect for whom an officer is searching. Detaining an individual and conducting an inquiry into that person's activities simply because

of that individual's race ethnicity or national origin is racial profiling. Examples of racial profiling include but are not limited to the following:

A law enforcement agency can derive two principles from the adoption of this definition of racial profiling:

1. Police may not use racial or ethnic stereotypes as factors in selecting who to stop and search, (but police may use race in conjunction with other factors of the suspect).
2. Law enforcement officers may not use racial or ethnic stereotypes.

As factors in selecting who to stop and search. Racial profiling is not relevant as it pertains to witnesses, etc.

**Race or Ethnicity** – Of a particular descent, including Caucasian, African, Hispanic, Asian, or Native American

**Pedestrian Stop** – An interaction between a peace officer and an individual who is being detained for the purpose of a criminal investigation in which the individual is not under arrest

**Traffic Stop** – A peace officer who stops a motor vehicle for an alleged violation of a law or ordinance regulating traffic

#### IV. TRAINING

All officers shall complete a TCLEOSE training and education program on racial profiling not later than the second anniversary of the date the officer is licensed under Chapter 1701 of the Texas Occupations Code or the date the officer applies for an intermediate proficiency certificate, whichever date is earlier. Continuing education on racial profiling shall be completed as required by TCLEOSE.

#### V. COMPLAINTS

Any and all officers receiving a complaint by a citizen will direct the complaining party to the office of the superintendent or the Chief of Police.
