

## School Health Advisory Meeting Agenda for 4-26-2023

Introductions

Reading of the minutes from last meeting

School Health Fair outcome for 2023 school year.  
Discuss the outreach for the families in our district.

Navarro County IMPACT came and talked to students about testing anxiety. While they were here we discussed them coming back and talking about hygiene to the 3rd and 4th grade classes. They are planning on making students hygiene packets to take home.

Coach Edgar is coordinating the heart saver slime challenge.

We need to set meeting dates for the 2023-24 school year.
